SWACHH BHARAT SUMMER INTERNSHIP – 2018

Report of face to face interaction with people for Swachh Bharat Summer Internship Program:

The student volunteers met the Makkalur Village people on 12.05.2018 and had a **face to face interaction** with them regarding their sanitation behaviors. It was identified that only 3 houses have toilet facility in that village. The others follow only open field defecation. Most of the people were not aware about the hazards of poor sanitation.
