

Report of Sanitation Awareness through Folk songs for Swachh Bharat Summer Internship Program:

Student volunteers created sanitation awareness through Folk songs in Makkalur village on 18.05.2018. The Folk songs were constructed in Tamil which focused about hazards of open defecation, importance of conserving Indian culture, women safety, child safety and necessity of constructing toilets in each house. The songs were much impressive and Makkalur people got an insight about construction of toilets in their houses.
