KARAIKAL**

SCHOOL HEALTH PROGRAMME

Our III year DGNM students have organized school health Programme at Govt Primary School, Serumavilangai, Karaikal on 27.02.2018. The Programme was inaugurated by Mrs.Rajavalli , Headmistress of the School. There were 70 Children studying in the school. Our students have assessed the health status of all the children studying in the school. The health education on worm infestation, hand hygiene and balanced diet was given. The School Children with minor illness like cold, worm infestation, dental caries and refractive errors were referred to our own Rural Health Centre situated at Serumavilangai.
